WEBSTER GROVES

Mrs. Leola Laird
Quarterly meeting at M. E. Church last Sunday was a success. Rev. J. H. Boone, of St. Louis, preached two sermons. The first District Superintendent, W. E. Ritten, preached at 9 P. M., his message found open and responsive hearts. \$20.30 was raised. Webster Groves M. E. Church raised \$545 for East St. Louis suffering from riot outrage. The 4th of July picnic was a success. Wm. Taylor, chairman of trustee board of M. E. Church, reported

number of debts confronting us. Through the help of God we have been able to cancel all of these, and have re-invested the money, by purchasing and painting it, both inside and out. The last repair work was done on the church, all of the woodwork of the church is painted white, except the window, the lower part of which is painted pale blue. This adds much to the appearance of the church. The work is all paid for except \$123.58. We have also added about 8 members to the church.

My instruction to my members is to pay off the principal as soon as possible by so doing they save money. I think every minister should make full proof of his ministry, by teaching his people to be honest in all of their dealings and to pay all debts they owe, because if the church is to be the spiritual leader, it should also lead along business lines. In some places you go, if you should ask for a donation, or credit for the church, some of the business men of the town will tell you that the church owes them and will not pay. My dear Christian friends, this should not be true of the church, but it is. Let us be bright and shining lights along all lines. They, and not until then, will the church take its place in the world. Let us all remember that God may hasten the time, when our lives may mean more than our words. Yours for the cause of Christ—M. E. Church, Jackson, Mo.
